## KUĆNI LJUBIMCI

Neki karikaturist dijelio je dom sa svojim kućnim ljubimcima - mačkom Lindom i psom Bobijem. Tijekom dana, posvećivao bi se svojoj umjetnosti, dok bi se njegovi dlakavi, četveronožni prijatelji veselo igrali oko njega ili odmarali na fotelji pored radnog stola. Kada bi odlučio uzeti kratku pauzu od crtanja, posvećivao bi se svojim ljubimcima - mazio bi ih ili bi odveo Bobija u šetnju. Linda je voljela ići u šetnju sama.

Jednog dana, saznao je za festival karikatura čija je tema bila upravo - kućni ljubimci. Bez oklijevanja, bacivši se na posao, u narednim danima stvorio je dvije karikature koje je planirao poslati na festival. Jedna je prikazivala Bobija, dok je druga bila posvećena Lindi. Prije slanja, odlučio je pokazati Bobiju karikaturu sa psom u glavnoj ulozi, a Lindi onu s mačkom. Njihove reakcije bile su poprilično različite.

Bobi je s oduševljenjem promatrao svoj lik i pomislio: "Evo dokaza da ovaj divni čovjek mora biti stvoritelj svega na svijetu, uključujući i mene. Zaista ga volim."

S druge strane, Linda je promatrala karikaturu s malo drugačijom perspektivom: "Vidi kako me voli i cijeni, kao pravu božicu. Ne samo da me hrani, već me čak i crta."

Ako imate kućnog ljubimca psa ili mačku, sigurno ste se prepoznali u dijelu gornje priče. Kao i mi ljudi, životinje se razlikuju po svojim karakteristikama i osobinama. No, jedno je sigurno. Bez obzira dijelite li dom s mačkom, psom, papagajem, ribicom, kornjačom, hrčkom ili zmijom, sigurno ste često nasmijani. Znanstveno je dokazano da kućni ljubimci donose osmijeh na lice slično kao i gledanje karikatura.

Ova naša izložba prilika je da taj osmijeh udvostručite :))

## PETS

A cartoonist shared a home with his pets - Linda the cat and Bobby the dog. During the day, he would devote himself to his art, while his furry, four-legged friends would happily play around him or rest in an armchair next to his desk. When he decided to take a short break from drawing, he would devote himself to his pets - petting them or taking Bobi for a walk. Linda liked to go for a walk alone.

One day, he found out about a cartoon festival whose theme was precisely - pets. Without hesitation, throwing himself into work, in the following days he created two caricatures that he planned to send to the festival. One depicted Bobi, while the other was dedicated to Linda. Before sending it, he decided to show Bobby a cartoon starring a dog and Linda the one featuring a cat. Their reactions were quite different.

Bobi looked at his figure with delight and thought, "Here is proof that this wonderful man must be the creator of everything in the world, including me. I really love him."

On the other hand, Linda looked at the caricature with a slightly different perspective: "See how she loves and appreciates me, like a real goddess. She not only feeds me, but even draws me."

If you have a pet dog or cat, you must have recognized yourself in part of the story above. Like us humans, animals differ in their characters and traits. But one thing is certain. Regardless of whether you share a home with a cat, dog, parrot, fish, turtle, hamster or snake, you must be smiling often. Pets have been scientifically proven to bring a smile to your face just like watching cartoons.

This exhibition of ours is an opportunity to double that smile :))
